**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is healthy.

In the past, I had Verizon, Comcast, and AT&T as internet service providers. Big companies, bad customer service, expensive.

I have been a customer with Sonic.net for many years and I can tell you they are the best. I can talk to a human if theres a problem, and they always fix it immediately.

I say no to price hikes that will increase the cost of internet and telephone services.
